

MONON BAPTIST PRESCHOOL

September 2019 Newsletter

What We Worked on in August

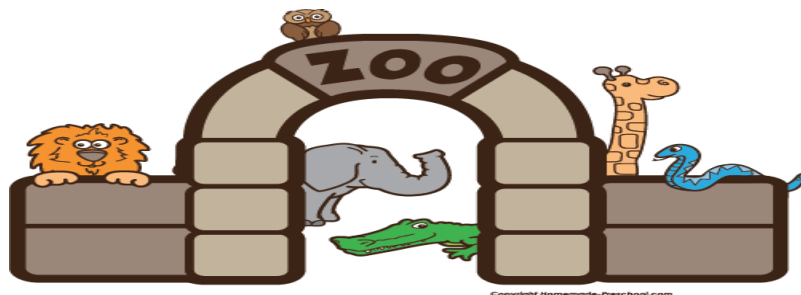

- We talked about new situations, getting along with others, and making good choices. We even had our first memory verse “Encourage one another and build each other up...”
1 Thessalonians 5:11
- In Religion: We talked about being prayerful, how and when we should pray. We listened to Bible stories about God and creation and Adam and Eve.
- We studied the letters: Aa and Bb; the sounds that they make and practiced writing the letters.
- We learned about the numbers: 1 and 2 and practiced writing them.
- In Math we’ve been counting objects from 1-5 and have worked hard at recognizing the correct answer.
- We studied the colors: red and blue and had fun painting with an apple and bubbles! We even played with homemade play dough each week with the color we were studying.
- We’ve been practicing writing our name.
- We studied the shapes: circle and square and practiced tracing, cutting and gluing them!
- We’ve had a blast making sentences with our sight words: A, a, and I.
We were able to READ OUR FIRST SENTENCE by the end of the first week of school!
- We’ve learned many new songs and enjoy singing them together!!
